

Senergy/Ten Merina CSR Activities 2024

During this year, we will be able to fund the following projects with the support of Atmosfair:

- CSR Actions Planned at Senergy in 2024:
 - Donation of food kits for the PAPs.
 - Construction of a well in the gardening perimeter.
 - Construction of housing for the midwife of the health district.
 - Construction of 2 classrooms at the CEM of Mékhé.
 - Financing of the women's credit union in the locality of Meouane.
 - Maintenance of the trees replanted in the Senergy Power Plant by the water and forestry services.

- CSR Actions Planned at Ten Merina in 2024:
 - Donation of food kits for the PAPs.
 - Connection of the 3 villages (Mbouki, Kelle, and Tibo) to the water tower built in 2023.
 - Financing of the women's credit union in the locality of Ten Merina,
 - Maintenance of the trees replanted in the Ten Merina Power Plant by the water and forestry services.
